Allison and Jayne,

Teresa will be developing responses to the summary comments listed below in my previous e-mail. Teresa is on the R10 Forestry Team and is part of the CZARA Forestry - Riparian, Landslides and Roads review teams. She is excellent. Her target date for completing the responses is 8/22 but knowing Teresa, we will see her work before then.

Hi Alan –

Sure – I can take a crack at these. I'll send them along as I get them completed.

Take care,

Teresa

Teresa,

Attached is the draft "Summary Response to Comments" document. The areas where we need a forestry associated "response" developed are:

1. p. 17 - Impacts of forestry industry;
2. p.17 - General Effectiveness of Existing Forest Practices and Programs; and
3. p. 22 - Clear Cuts.

Please let me know if you think you will have the time to put something together on these. Thanks for considering this. I owe you big time.

Alan
